eLearning + Online Workshop**

Delivered by the

UK Resilience Academy

On

16 May 2025

Hamish Cormack
Head of
UK Resilience Academy

UK Resilience
Academy

Aim

To enhance participant's knowledge and capability in performing a logging role in an emergency

Learning Outcomes

- Consider the legal/doctrinal framework, guidance and learning relating to logging
- Examine logging roles and responsibilities in an emergency
- Develop your understanding of decision making and it's relationship with logging
- Apply learning in a simulated scenario
